1. PRICING

Offeror must complete the **Items** tab in APP by entering \$1 in the Unit Price field. Failure to do this may prevent the Offer from being awarded by the ASRS through APP.

Actual pricing must be provided as requested by downloading and completing workbooks Attachment E1: Pricing Schedule DHMO, Attachment E2: Pricing Schedule DPPO, and Attachment E3: Pricing Schedule Provider Disruption located in APP on the **View RFX** tab in the *Solicitation Documents* section or as provided below.

To assist Offeror, Exhibits to the Solicitation, including a census and plan experience can be found in the **View RFX tab** in the *Solicitation Documents* section. Offerors are responsible for reviewing all exhibits to the Solicitation (*as listed in Special Instructions to Offerors, Section F(3)*).

Attachment E3: Pricing Schedule Provider Disruption includes confidential provider data and will only be made available after Offeror has completed and submitted Attachment H: Nondisclosure Agreement. When the Nondisclosure Agreement (NDA) is ready for submittal, open the **Discussions with buyer** tab and select Compose. Offeror will upload the NDA and select Owner as the “To” recipient. When this has been processed, a secure message will be sent by the ASRS to the Offeror containing the file. This file must be completed.

Offeror must review and complete information on all applicable tabs in the workbooks. Tabs intentionally left blank should leave a statement explaining why the information was omitted in the comments section of that tab.

1.1. Pricing that is included in attachments E1 and E2 must be all inclusive for the services described in the Scope of Work. For fully-insured premium rates quoted, no additional fees beyond premium rates will be accepted. For Administrative Services Organization (ASO), the rate quoted must include the full list of core services described in the Scope of Work. Contractor is deemed to have allowed in each firm-fixed price correct and sufficient amounts to cover all its obligations under or arising from the Contract, at law, or otherwise, and to have allowed the necessary resources to enable it to carry out the relevant Scope of Work.

2. OTHER FEES

The Offeror should disclose any additional fees associated with subcontractor arrangements, that involve the services provided to ASRS and are not included in the attachments.

Delta Dental of Arizona does not have any additional fees associated with subcontractor arrangements that would be charged to the ASRS.

3. OPTIONAL/ALTERNATIVE PRICING (HIGHLY ENCOURAGED)

The ASRS strives to provide value based plan options to our members. We strongly encourage you to provide alternative plan design modifications and/or options for our review and consideration. We are interested in both changes for individual coverage/benefit elements as well as entire alternative plan designs. The Offeror may propose alternative pricing structures provided it has submitted pricing information under items 1 and 2 above. For each alternative option provided, please provide both a pricing schedule and plan design page in the same format as provide in attachments E1 and E2. Clearly mark each submission with a clear description that the submission is an “Optional/Alternate” submission. The Offeror has full discretion in what it may propose, however, the ASRS is under no obligation to accept such proposals.

4. PAYMENT DISCOUNT OPTIONS

For the services specified herein, the following apply:

	<div> <div>ATTACHMENT E: Pricing Schedule</div> <div> ASRS Group Dental Services Solicitation Code: BPM001922 PART 2 of 2 - Attachments (Response Forms) </div> </div>	<div> <div>ARIZONA STATE RETIREMENT SYSTEM</div> <div> 3300 N Central Ave 14th Floor Phoenix, AZ 85012 </div> </div> <div> Page 2 of 2 </div>
---	--	--

If payment is made within N/A calendar days after acceptance of services, the above quoted price, shall be discounted by N/A.
