

NOTICES OF PROPOSED RULEMAKING

This section of the *Arizona Administrative Register* contains Notices of Proposed Rulemakings.

A proposed rulemaking is filed by an agency upon completion and submittal of a Notice of Rulemaking Docket Opening. Often these two documents are filed at the same time and published in the same *Register* issue.

When an agency files a Notice of Proposed Rulemaking under the Administrative Procedure Act (APA), the notice is published in the *Register* within three weeks of filing. See the publication schedule in the back of each issue of the *Register* for more information.

Under the APA, an agency must allow at least 30 days to elapse after the publication of the Notice of Proposed Rulemaking in the *Register* before beginning any proceedings for making, amending, or repealing any rule (A.R.S. §§ 41-1013 and 41-1022).

The Office of the Secretary of State is the filing office and publisher of these rules. Questions about the interpretation of the proposed rules should be addressed to the agency that promulgated the rules. Refer to item #4 below to contact the person charged with the rulemaking and item #10 for the close of record and information related to public hearings and oral comments.

- 5. An agency's justification and reason why a rule should be made, amended, repealed, or renumbered, to include an explanation about the rulemaking:**
 On August 27, 2019, SB1079 (2019) became effective and amended the definition for what it means to be disabled for Long-Term Disability (LTD) benefits. As such, the ASRS needs to amend its rules in order clarify how the new definition will be implemented. This rulemaking will clarify how ASRS will implement the new LTD definition. Such clarification will ensure members are aware of when they may be eligible to receive LTD benefits. However, the rules do not impose any additional requirements or burdens on members, other than those required in statute. Thus, the same regulatory objective is achieved while reducing the regulatory burden.
- 6. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material.**
 None
- 7. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:**
 Not applicable
- 8. The preliminary summary of the economic, small business, and consumer impact:**
 The ASRS promulgates rules that allow the agency to provide for the proper administration of the state retirement trust fund. ASRS rules affect ASRS members and ASRS employers regarding how they contribute to, and receive benefits from, the ASRS. The ASRS effectively administrates how public-sector employers and employees participate in the ASRS. As such, the ASRS does not issue permits or licenses, or charge fees, and its rules have little to no economic impact on private-sector businesses, with the exception of some employer partner charter schools, which have voluntarily contracted to join the ASRS. Thus, there is little to no economic, small business, or consumer impact, other than the minimal cost to the ASRS to prepare the rule package. The rule will

have minimal economic impact, if any, because it merely clarifies in further detail whether a member is eligible for LTD benefits.

9. The agency's contact person who can answer questions about the economic, small business, and consumer impact statement:

10. The time, place, and nature of the proceedings for to make, amend, repeal, or renumber the rule, or if no proceeding is scheduled, where, when, and how persons may request and oral proceedings on the proposed rule:
