

# NON-MEDICARE Meeting Schedule

Due to safety concerns for our retirees and staff, there are no in-person meetings this year. We will have a variety of interactive webinars, videos, and phone conferences available throughout November.

## On-Demand Videos

Videos will be available 24/7 at **AzASRS.gov** for you to view at your convenience. They are self-paced with segmented navigation to allow you to watch, and re-watch, any part you desire. All aspects of open enrollment are covered, including medical and dental plan options.

## Interactive Webinars

Visit the open enrollment section of **AzASRS.gov** to access our open enrollment webinars. These live video presentations will be available on select dates and times throughout November. You will be able to ask questions in a chat box and get them answered in real-time. Registration via your secure myASRS account is highly encouraged so that you can get helpful reminders about your meeting in the days and hours leading up to it.

### Thursday, Oct 29, 2020\*

11 AM - Dental  
2 PM - Non-Medicare

\* Note: This meeting is prior to open enrollment, which starts Nov 1
