

Arizona State Retirement System

For more than a half-century, the Arizona State Retirement System (ASRS) has provided retirement, health insurance and long term disability benefits to employees of the state, counties, municipalities, universities, community colleges, school districts and other political entities. We are a top performing benefit plan administrator with a solid reputation and sustainable plan design. Our organizational culture is based on the following principles; **Professionalism, Results, Improvement, Diversity and Excellence**. We believe in delivering service with **PRIDE**. Check out our webpage, www.azasrs.gov, to learn more about the ASRS.

TECHNICAL LEAD SOFTWARE ENGINEER

Location: Phoenix

Compensation: Up to \$100,000 + **Benefits**

Grade: 27

JOB SUMMARY:

The Technology Services Division is seeking a Software Engineer to function as a **Technical Lead**. The primary technologies we use are **Java, JavaScript, Spring Framework, JQuery, Apache Tomcat** and **Oracle** databases. Successful candidates should be familiar with team-based development using the **SCRUM** process. Candidates should also possess an understanding of version control using **Git or Mercurial**, and have the ability to maintain the build for multi-module applications developed using **Gradle** and **Apache Maven**. Candidates with experience writing functional tests using Selenium and knowledge of application security vulnerabilities are desired.

WORK EXPERIENCE, KNOWLEDGE, SKILLS, & ABILITIES:

A minimum of five years of experience in Information Technology and a minimum of three years developing Java web application are required. Previous work experience should demonstrate and ability to lead software developers. Experience or emphasis in systems analysis, application design, quality assurance, and the coordination of multiple enterprise systems to achieve overall system functionality is desirable. Previous work experience should demonstrate a commitment to team success.

EDUCATION:

A Bachelor's degree is highly desired; preferably in Software Development of Information Technology. Candidates participating in continued education are desired.

BENEFITS:

The State of Arizona offers a comprehensive benefits package, including medical, dental, vision, wellness, life insurance for employees and dependents, short and long-term disability, and flexible spending accounts. Another benefit to working for the ASRS is the excellent retirement program provided to our employees. Please visit http://www.hr.az.gov/Public_Applicant/PA_Total_Compensation.asp to learn more about benefits offered to our employees.

HOW TO APPLY:

Apply online at www.azstatejobs.gov, Job ID = **12239**, or email resumes to jobs@azasrs.gov. Please use "Technical Lead" in the subject line of the email.
